## OUR VIRTUE FOR THIS TRIMESTER IS: PATIENCE AND PERSEVERANCE.

"Patience is bitter, but its fruit is sweet." *Jean Rousseau*

**Happy Birthday Wishes To...** Dan Eulberg (Junior High Math teacher) whose birthday is Saturday, February 4.

**NEXT WEEK: ITBS Achievement Testing for Grades 2-8.** It is important that all students in Grades 2-8 are present and on time. However, if your child is sick, please keep him/her at home. Because we do standardized testing every year, if your child is sick, it is better to keep him/her home and miss the testing rather than him/.her take the test poorly. We will not do make up testing for students who miss 4 or more sub tests.

2. Take it to your parish and have it signed by your pastor or his representative. ( Most parishes will require you to leave the form for pickup at a later date.)
3. Bring the signed Parish Affiliation form to the school office and exchange it for a FAIR application for tuition assistance.
4. Complete the FAIR application.
5. **You will need to send in your 2011 federal tax return including all 2011 W2 forms/1099 forms and a check for \$27 with the completed FAIR form.**

It may be easier than we think, especially when we apply some ingenuity! In the process we will find ways to let go of the things that aren't so important after all. **Come and find out how!**
