Tuition Rates

Kindergarten - 8th Grade

	Affiliated Tuition*	Unaffiliated Tuition
Student 1	\$6,880	\$8,190
Student 2	\$6,310	\$7,475
Student 3	\$5,920	\$7,200
Student 4	\$3,415	\$5,980

All families are required to annually sign both a tuition contract through FACTS (*you will sign the tuition contract at the Unaffiliated Tuition rate*) and a hardcopy of the tuition contract which will reflect your selected payment option, affiliated tuition (if received), and any variable tuition/financial aid credits. Once the school office receives your Affiliated Tuition Form (see below), your tuition rates will be updated in FACTS. If the school does not receive your approved Affiliated Tuition Form, you are responsible for paying the Unaffiliated Tuition rates. Affiliated tuition rates and scholarships will not be applied until the forms are received, approved, and processed - this may result in a family paying unaffiliated tuition for a month or two depending on when the forms are received.

*See below regarding Affiliated Tuition rates.

Parish Affiliation

The Shrine of St. Anne Catholic School accepts parish affiliation requests from both the Shrine of St. Anne Parish and Out-of-Parish parishioners. These forms must be submitted to the school annually for approval. All submissions are reviewed by the Pastor and do not guarantee the affiliated tuition rates.

Variable Tuition and Tuition Assistance

An investment in Catholic education is an investment in your child's future. We understand it is a decision families do not take lightly and encourage you to inquire about tuition assistance, if needed.

- Along with the Archdiocese of Denver, our school offers variable tuition rates and scholarships for families who qualify. For more information on variable tuition and available scholarships, please see the Archdiocese of Denver's Office of Catholic School's website:

 - Variable tuition allows a family to qualify for a reduced tuition based on the family's annual household income. You must apply for variable tuition. Please see the link above.
 - Additional scholarships, including the Seeds of Hope scholarship and the ACE Scholarship, are also available and based on a family's annual household income. Income limits and application links can be found using the link above.

 - Any family who completes a variable tuition application and is income-eligible for a Seeds of Hope "Hope Scholarship" is automatically applied and does not have to complete a separate Seeds of Hope application. Families will have to complete a separate application to other scholarship organizations they may be eligible to receive assistance from, such as ACE Scholarships and the Schmitz Family Foundation.
 - Families must apply for variable tuition and scholarships annually.
 - Our school has also teamed up with the Saint Amelia Education Guild, a Catholic non-profit organization that helps families meet the cost of Catholic education and experiences. Please view the Saint Amelia Education Guild website for more information on how serving your community can lower your educational costs: <https://saintamelia.org>
 - It is a part of our school mission to support every family who seeks a Catholic education for their children. If your family needs assistance outside of what is available from variable tuition and scholarships, please reach out directly to our Principal, Mrs. Ellis at dellis@stannescatholic.com
